Pattern playtime

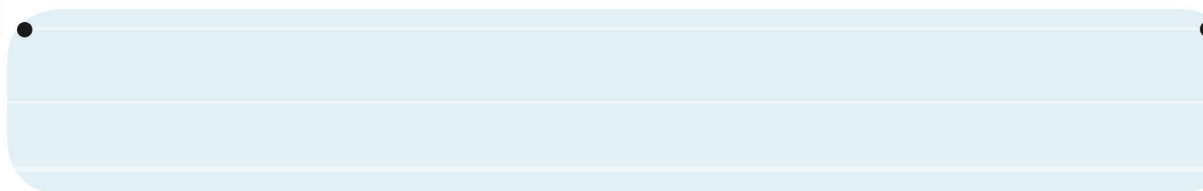

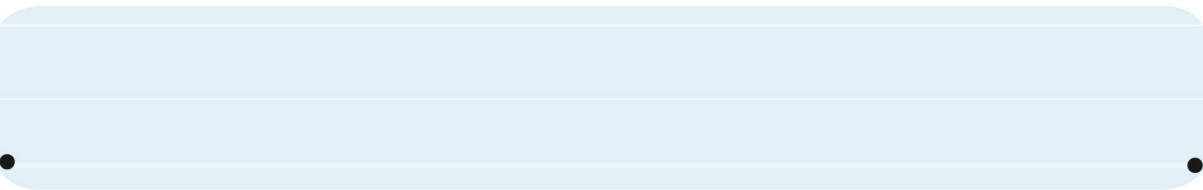

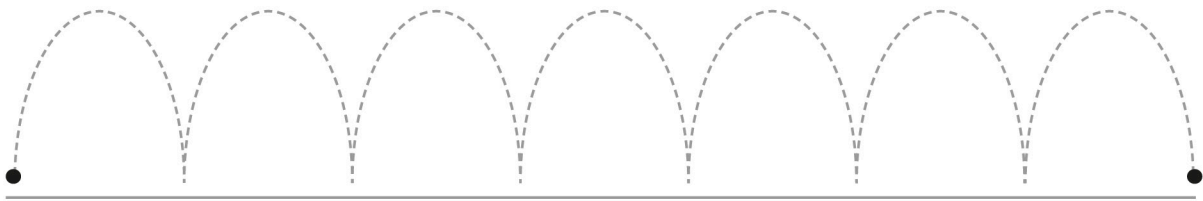

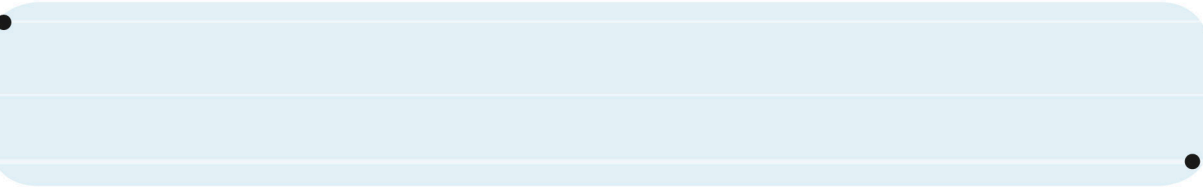

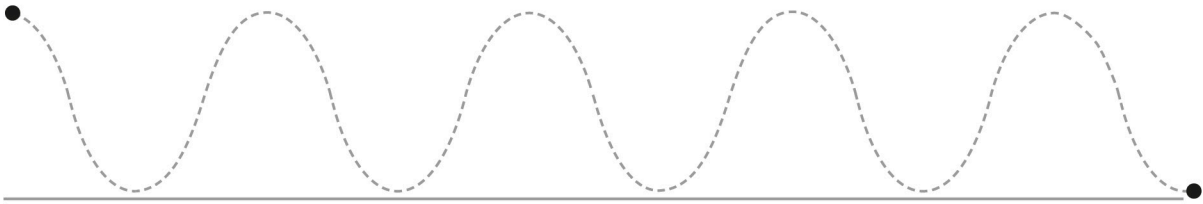

Peppa and her friends have so much fun playing outside in the sunshine!

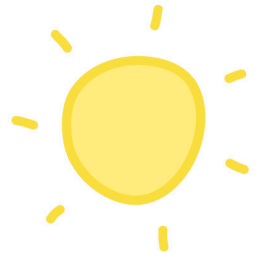

Practise with Peppa

Draw over the patterns the friends have made from left to right, then copy each one out again underneath. Try to start and finish at the black dots each time.

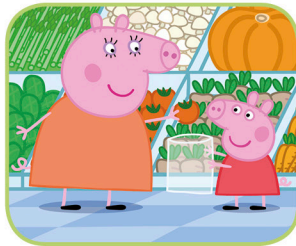

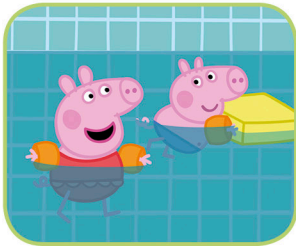

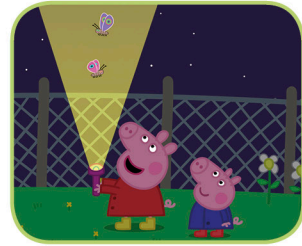

Daytime and night-time

When it is light outside, it is daytime.

Practise with Peppa

Draw circles around the things that happen in the daytime.

When it is dark outside, it is night-time.

Practise with Peppa

Draw circles around the things that happen at night.
