

Ladybird Activity Pack

Days of the week

"There are seven days in the week," says Tim.

"The weekend is Saturday and Sunday," adds Topsy.

Trace over the letters for each day of the week.

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Sunday

Alphabet path

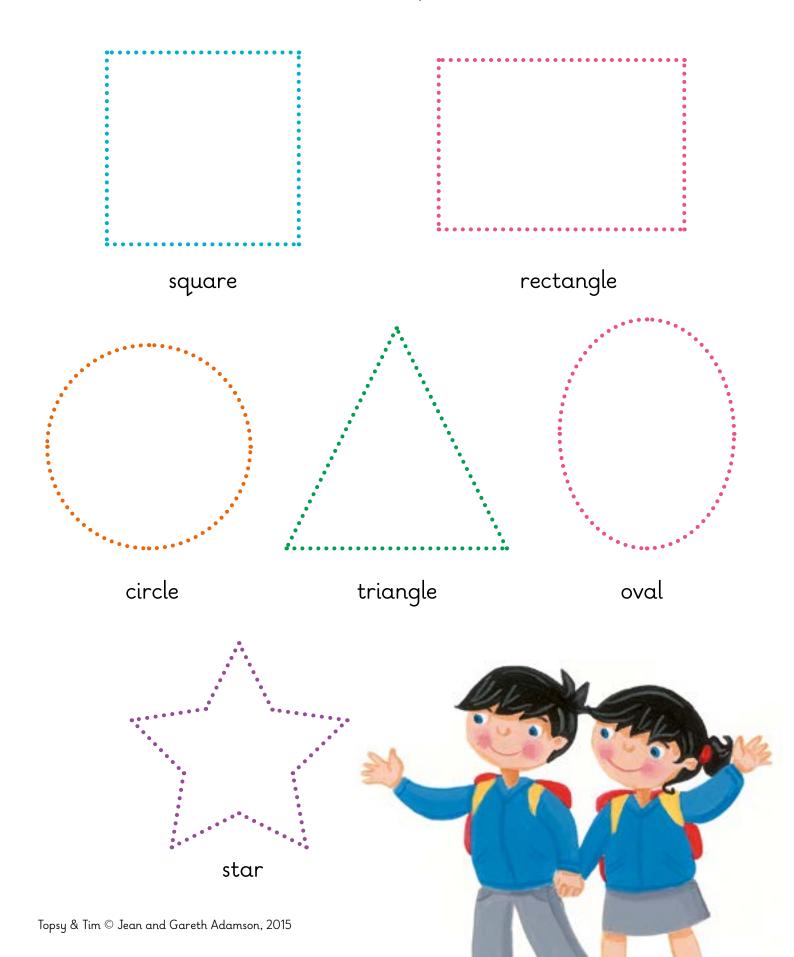

"I can say my ABC!" says Tim. Follow the path with your finger and say all the leters as you go!

Shapes

"We will learn all about shapes," says Tim. Draw around each shape and colour it in.

School checklist

When you get ready for school you will need to do lots of things by yourself. Put a tick in each box when you can do it.

get dressed	
eat breakfast	
brush your teeth	
pack your bag	
put on your coat	
say hello to other children	

Opposites

"Tall and short are opposites," says Topsy.
"So are on and off, and in and out!" adds Tim.

Draw lines to match the opposites below.

cold

happy

asleep

full

little

up

sad

big

awake

hot

empty

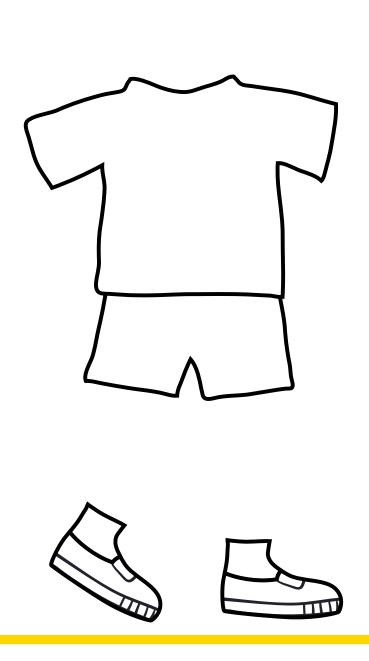

down

We love our P.E. lessons!

Draw and colour a picture of yourself in your P.E. kit.

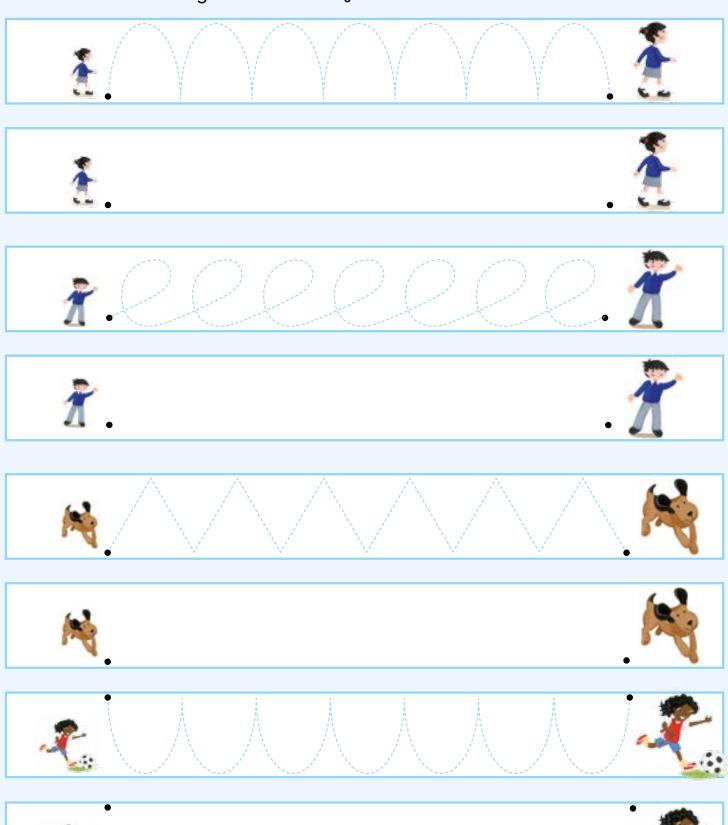

Pattern Practice

Draw over the dotted lines from left to right to show the route Topsy and Tim and their friends have taken, then copy out the patterns again underneath. Try to start and finish at the black dots each time.

Numbers

Count the objects and trace over the numbers.

zero

one

five

six

ten

I can write letters!

Trace over the letters with a pencil. The lighter blue arrows show the direction to take for left-handers.

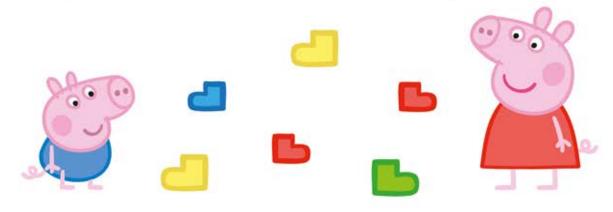

Draw a O on to Daddy Pig's tummy.

Draw 1 hat for Mummy Pig to wear.

2 matching wellies make a pair. Draw circles around all the pairs you can find.

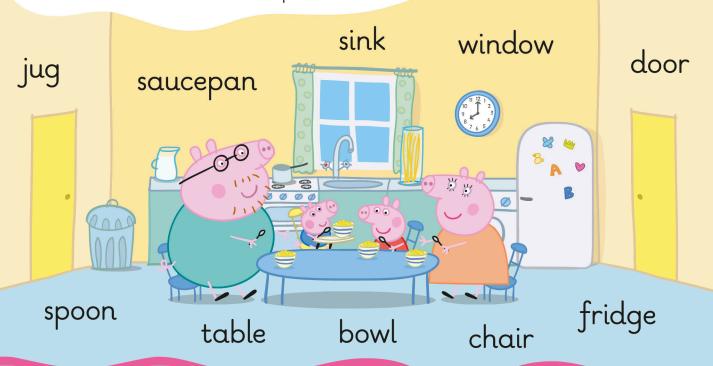

Hungry tummies

Mummy Pig, Daddy Pig, Peppa and George are eating their breakfast.

Practise with Peppa

Can you spot these words in the big picture? Draw lines to match them up.

Practise with Peppa Write the words.

Pattern playtime

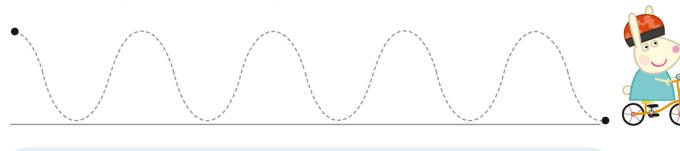

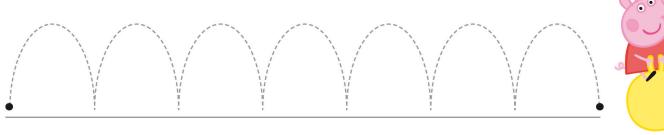

Peppa and her friends have so much fun playing outside in the sunshine!

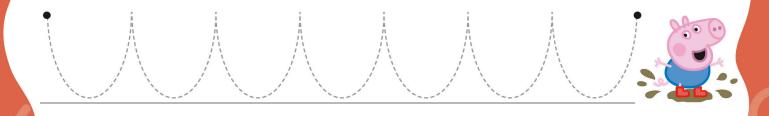

Practise with Peppa

Draw over the patterns the friends have made from left to right, then copy each one out again underneath. Try to start and finish at the black dots each time.

Daytime and night-time

When it is light outside, it is daytime.

Practise with Peppa

Draw circles around the things that happen in the daytime.

When it is dark outside, it is night-time.

Practise with Peppa

Draw circles around the things that happen at night.

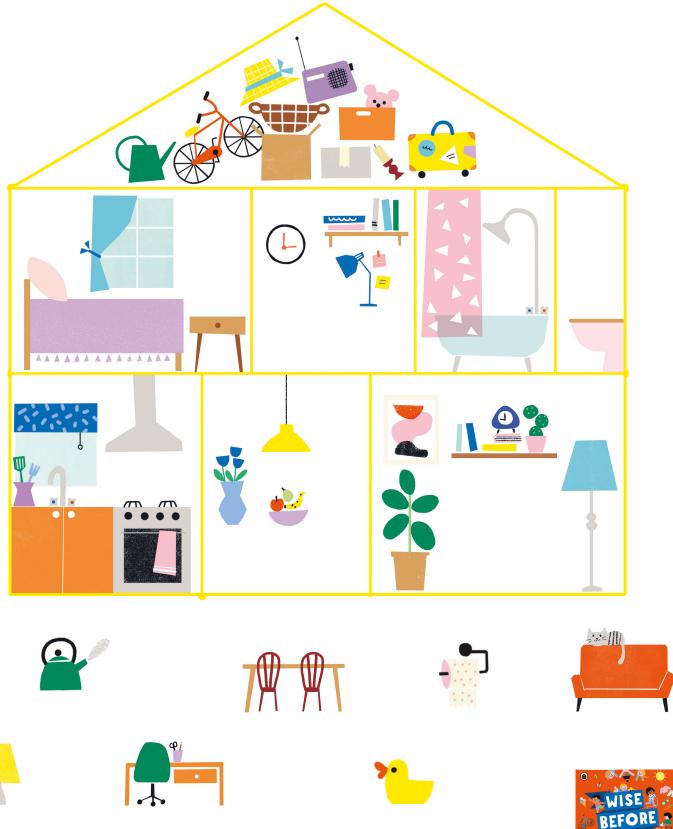

Blast Off! George would like to be an astronaut when he grows up. 18 Just imagine what he'd see if he blasted into space! 17 。 •3 160 .4 15. 149 • 5 •6 13 12 °11 10 9 .8 How many stars can you count? How many planets can you see?

Rooms

Do you know which room of the house each of these objects belongs to? Draw a line from the object to the room where you think it should go!

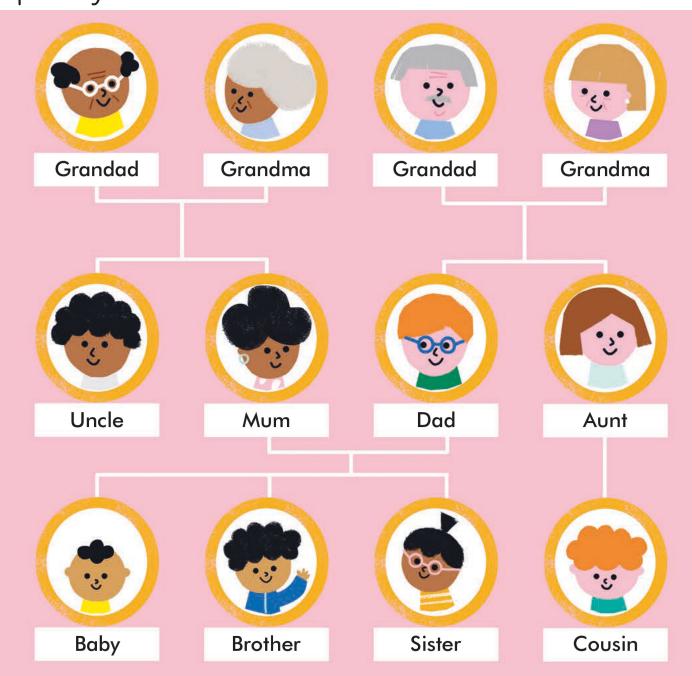

Your family tree

A family tree is a clever list that shows us who is in our family. Follow each line (or "branch") to see how everyone is connected. Here is an example of a simple family tree:

Can you draw your own family tree?

Before you get started, think about who's in your family - do you have brothers or sisters, a mum and dad, grandparents? Then follow the example above to make your own!

1, 2, 3....count with me!

Numbers are the words and symbols we use to show the amount or value of something. Can you draw the number of items listed below?

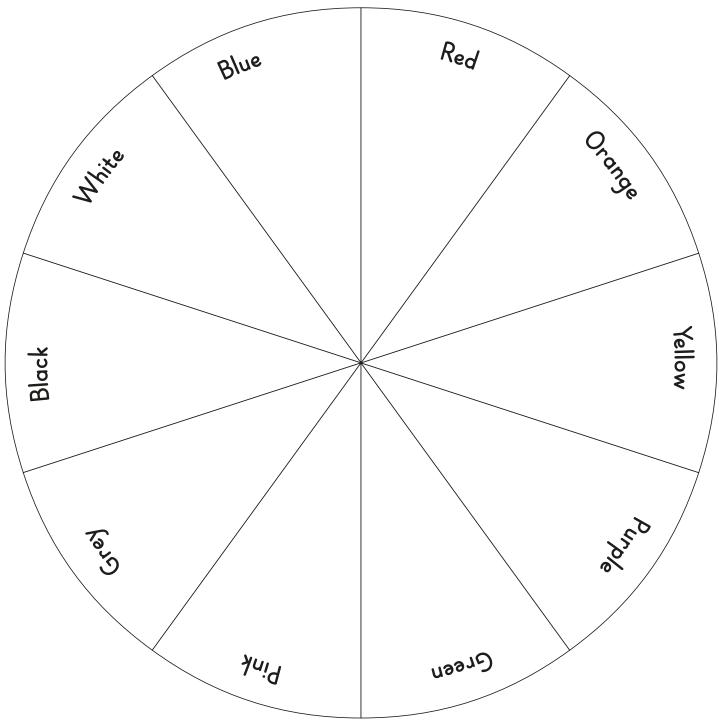

Make your own colour wheel

Colour in each section of the wheel below with the colour written on it to make your very own colour wheel!

What makes you happy?

Happiness is the best feeling in the world, isn't it? A big, chuckling laugh and a huge, bright smile can cheer up the greyest day!

Draw something that makes you happy:

Draw someone that makes you happy:

Making friends

Here are a few tips and tricks to help you find new friends:

BE KIND:

Play nicely and share your toys and games with others. That way, no one will feel left out!

BE UNDERSTANDING:

If someone looks a bit lost or lonely, you could ask them if they would like to play with you.

BE YOURSELF:

You are the best you. You are special and interesting and have a lot to share with others, so be yourself!

Can you draw a picture of yourself with a friend?

Make your own Ladybird antennae!

You will need:

- * Sticky tape or stapler
- * Scissors * Colouring pencils or crayons

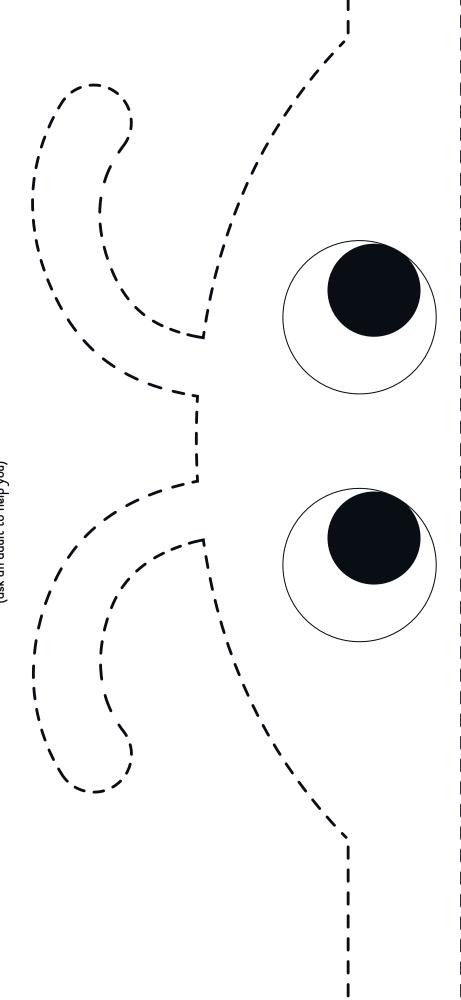

STEP 1

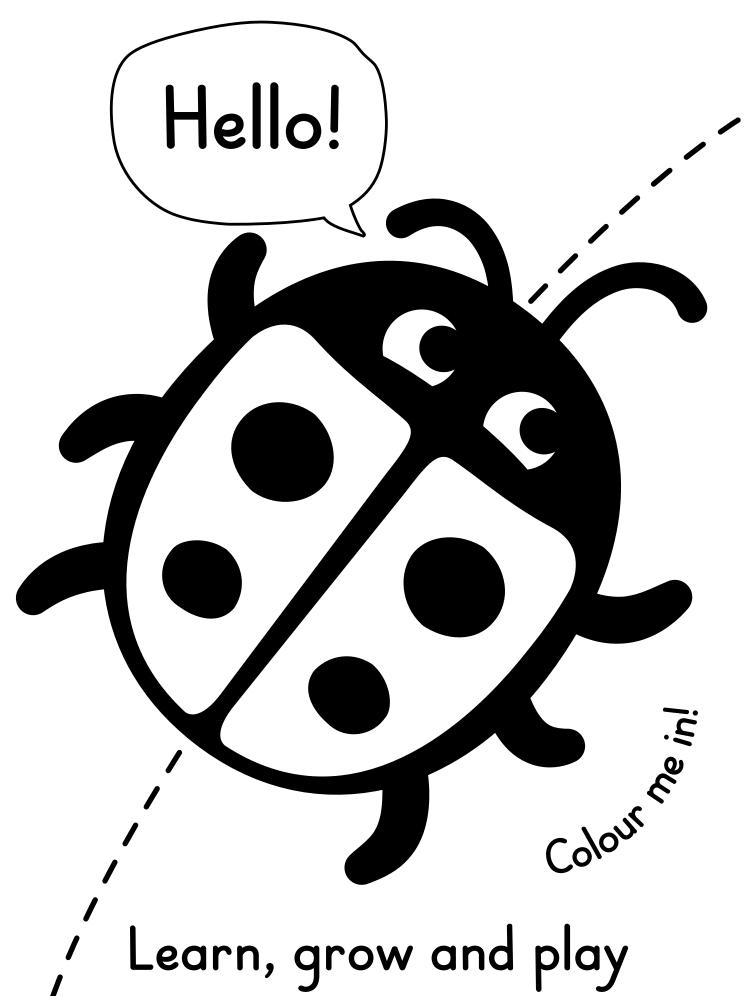

Colour in Ladybird's antennae with your favourite pencils or crayons

Carefully cut along the dotted lines (ask an adult to help you)

STEP 3 Tape or staple the ends of the two strips together and fasten around your head

STEP 4 Dance around just like Ladybird!
