THE JESS PACK: NO ADULTS ALLOWED!

It's been 27 years since we first met the legendary Tracy Beaker – and now, she's back in MY MUM TRACY BEAKER!

In this brand-new Jacqueline Wilson book, Tracy Beaker is now a mum (yep!) to young Jess – and they are the perfect team! Tracy is still fun and daring, but she also works hard to give Jess the family home she desperately wanted when growing up in the Dumping Ground. But when Sean Godfrey – Tracy's SUPER rich new boyfriend – comes onto the scene, Jess is worried things are going to change . . .

We can't think of a better excuse for a party than the return of Tracy Beaker, and the arrival of a brand-new Jacqueline Wilson character – Jess Beaker!

In THE JESS PACK: NO ADULTS ALLOWED, young readers will find everything they need to throw a right Beaker bash with their friends to celebrate My Mum Tracy Beaker, the wonderful world of Tracy Beaker and our new friend, Jess!

There's just one rule at this party

Look out for Jess's top party tips scattered throughout this pack, too!

Imagine you and an adult that you admire (a parent, a guardian, a celebrity – it's up to you!) are the stars of Jacqueline Wilson's latest book and then have a go at drawing the cover on the following page!

What would the story be called? How would you look drawn in Nick Sharratt's style? What colours would be used? Use the space below to doodle and brainstorm your ideas before drawing the final cover on the following page.

PRACTICE YOUR DOODLES HERE!

★ **JESS'S TOP TIP!** Why not take a snap of your illustration on your phone and send the picture to Jacqueline Wilson's team to marvel at!
