

# The Sharing Badge

Whether it's **sharing a hidden treat** or a **hidden talent**, help your little ones work through Duggee's sharing checklist for the week and **colour in slices as they go**.

- **Share some kind words**  
(with someone you love)
- **Share a favourite treat**  
(with a friend)
- **Share a hidden talent**  
(or skill with someone)
- **Share your time**  
(with someone who looks lonely)
- **Share your favourite song**  
(with someone and have a dance party)
- **Share a concern**  
(with someone who can give you advice)

**Colour in** each segment when you tick items off the list.
